

Lynas Corporation

Rare Earths – we touch them everyday

Lynas Corporation Limited Annual General Meeting

**CEO Presentation
28 November 2014**

Disclaimer

This Presentation has been prepared by Lynas Corporation Limited (ABN 27 009 066 648) (Lynas or the Company). This Presentation contains summary information about Lynas and its subsidiaries (Lynas Group) and their activities current as at the date of this Presentation. The information in this Presentation is of general background and does not purport to be complete or to comprise all the information that a shareholder or potential investor in Lynas may require in order to determine whether to deal in Lynas shares. It should be read in conjunction with Lynas Group's other periodic and continuous disclosure announcements lodged with the Australian Securities Exchange (ASX), which are available at www.asx.com.au. This document is not a prospectus or a product disclosure statement under the Corporations Act (Cth) 2001 (Corporations Act) and has not been lodged with ASIC.

Not investment or financial product advice

This Presentation is for information purposes only and is not financial product or investment advice or a recommendation to acquire Lynas shares and has been prepared without taking into account the objectives, financial situation or needs of individuals. Before making an investment decision, prospective investors should consider the appropriateness of the information having regard to their own objectives, financial situation and needs and seek financial, legal and taxation advice appropriate to their jurisdiction. Lynas is not licensed to provide financial product advice in respect of Lynas shares. Cooling off rights do not apply to the acquisition of Lynas shares.

Financial data

All dollar values are in Australian dollars (A\$) unless stated otherwise and financial data is presented within the financial year end of 30 June 2014 unless stated otherwise. Any pro forma historical financial information included in this Presentation does not purport to be in compliance with Article 11 of Regulation S-X of the rules and regulations of the US Securities and Exchange Commission.

Past performance

Past performance information given in this Presentation is given for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

Future performance

This Presentation contains certain "forward-looking statements". The words "expect", "should", "could", "may", "will", "predict", "plan", "scenario", "forecasts", "anticipates" and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements. Forward-looking statements, opinions and estimates provided in this Presentation are based on assumptions and contingencies which are subject to change without notice, as are statements about market and industry trends, which are based on interpretations of current market conditions. Such forward-looking statements including projections, guidance on future earnings and estimates are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. There can be no assurance that actual outcomes will not differ materially from these forward-looking statements.

Investment Risk and other risks

An investment in Lynas shares is subject to investment and other known and unknown risks, some of which are beyond the control of Lynas Group, including risk factors associated with the industry in which Lynas Group operates, such as: nature of mineral exploration and production; mineral and ore reserves; construction risks; progressing risks; project developments; market price and demand risk; credit and market risks; regulatory, political and environmental risks; tax and other risks generally relating to equity investment.

Not an offer

This Presentation does not constitute an offer to sell, or the solicitation of an offer to buy, any securities in the United States. Any securities described in this Presentation or in the offering have not been, and will not be, registered under the U.S. Securities Act of 1933 (the "Securities Act"), and may not be offered, sold, delivered or transferred in the United States.

Disclaimer

Lynas and its affiliates, officers, employees, agents and advisers have not authorised, permitted or caused the issue, lodgement, submission, dispatch or provision of this Presentation and do not take any responsibility for, nor make or purport to make any statements, representations, warranties or undertakings in this Presentation and there is no statement in this Presentation which is based on any statement by any of them.

Lynas, its related bodies corporate, the underwriter and their respective affiliates, officers, employees, agents and advisers to the maximum extent permitted by law, expressly disclaim all liabilities in respect of any expenses, losses, damages or costs incurred by you as a result of the information in this Presentation being inaccurate or due to information being omitted from this Presentation, whether by way of negligence or otherwise, and make no representation or warranty, express or implied, as to the fairness, currency, accuracy, reliability or completeness of information.

The information in this Presentation remains subject to change without notice.

Lynas Is Here To Stay

Assets + Production Performance + Sales = Business Success

Mt Weld Has An Estimated Mine Life Of 25+ Years

Mt Weld Pit

Stockpile ore available for processing

- 350kt ore @ 17.8% REO, 62kt REO

Mt Weld Future Mine Pits

Ore Reserve

- 9.7Mt ore @ 11.7% REO, 1.13Mt REO

Production Process Overview

WA

Production Trends – We Are Now Commissioning Phase 2 SX

Tonnes of REO

Cash Receipts are increasing

Competent Person's Statement

- The Mineral Resources and Ore Reserves information in this presentation is based on, and fairly represents, information and supporting documentation prepared by Brendan Shand, who is a member of The Australasian Institute of Mining and Metallurgy. Brendan Shand is an employee of the Group and has sufficient experience, which is relevant to the style of mineralisation and type of deposit under consideration and to the activity which he is undertaking, to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'.
- Brendan Shand consents to the inclusion in this presentation of the matters based on his information and supporting documentation in the form and context in which it appears
