Lynas Corporation Limited to Commence OTCQX Quotation of its Sponsored ADRs

Lynas Corporation Limited ("Lynas") (ASX code: LYC) is pleased to announce that on 10 October 2011 it will commence OTCQX quotation of its U.S. traded sponsored ADRs.

To date Lynas ADRs have been traded in the Over-The-Counter (OTC) market in the U.S. OTCQX is the premier tier of the U.S OTC market. Lynas anticipates that OTCQX quotation will facilitate easier access and trading for U.S investors.

Lynas sees this as a progressive extension of its current ADR program sponsored by Bank of New York Mellon who will also act as the Principal American Liaison ("PAL") for quotation of the company's securities on the OTCQX International market in the U.S.
