SHARE CONSOLIDATION EFFECTIVE

Lynas Corporation Ltd (ASX:LYC, OTC:LYSDY) is pleased to confirm that the 1 for 10 share consolidation referred to in our ASX announcement dated 28 November 2017 becomes effective in the register of shareholders today.

The remaining timetable for the share consolidation is as follows:

Key Event	Date
Share consolidation effective in the register of shareholders	4 December 2017
Registration of securities on a post-consolidation basis	
Dispatch of new holding statements	8 December 2017
Deferred settlement trading ends	
Normal trading starts	11 December 2017
First settlement date for trades made on post-consolidation basis	13 December 2017

As noted in the above timetable, trading is now on a deferred settlement basis, based on the post-consolidation number of shares. Shareholders are now trading their post-consolidated shares - i.e. if you held 50,000 pre-consolidation shares, you now have 5,000 post-consolidation shares to trade. Shareholders should consult their brokers or financial advisers if they require clarification.

From 11 December 2017, trading will revert to a normal settlement basis. All trades during the deferred settlement period will settle on 13 December 2017, alongside the trades of 11 December 2017.

Boardroom will issue new shareholding statements on or before 8 December 2017 confirming each shareholder's pre-consolidation and post-consolidation holdings in Lynas.

Enclosed is an Appendix 3B that sets out the effect of the share consolidation on each class of securities in Lynas. As noted in the Lynas AGM Notice 2017, where the consolidation of a shareholder's holding resulted in an entitlement to a fraction of a share, the fraction has been rounded up to the nearest whole number of shares.
